4 MS. DeMEO: Linda DeMeo, D-E, M-E-O. So  
5 basically, my main concern would be transportation.  
6 Which I think I feel comfortable with it, but I am not  
7 quite sure. I'm still a little quasi about that, but  
8 that Pahrump, the Nye County -- wait a second. Nye  
9 County -- where would the road be?

10 (There was a discussion off the record.)

11 MS. DeMEO: Then after all that, I guess the  
12 other thing as a person in Pahrump, as a resident of  
13 Pahrump --

14 MS. HANLON: We're back on the record?

15 MS. DeMEO: Yes. The money that will come  
16 from the government, that the majority of it will go to  
17 Pahrump, I guess Nye County, because I think most of  
18 it's going to be going down 160 and through Pahrump.  
19 That would be my main concern with the funds.
